

C. New
United States Department of State

Washington, D.C. 20520

OCT 10 2002

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles or defense services sold commercially under a contract in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export of technical data and assistance to France in order to manufacture nozzle-exit cone extensions for incorporation into the RL10B-2 production engines, which will in turn be integrated into Delta III and IV launch vehicles.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Paul V. Kelly
Assistant Secretary
Legislative Affairs

Enclosure:

Transmittal No. DTC 208-02

The Honorable

J. Dennis Hastert,

Speaker of the House of Representatives.
